Conference
 **DONATIONS** #THANKYOU!

The **2017 RockingEduTech Conference**, presented by the Rockingham County Public Schools departments of **Innovation & Learning** and **Technology** and with support from VSTE, is a 2-day educational technology conference for Virginia PreK-12 teachers, media specialists, instructional technology resource teachers, and other instructional technology leaders.

Attendees will obtain practical strategies, ideas, and resources for building engaging, innovative lessons to support student success. It's ideal for anyone wanting to learn and network with other education professionals.

We are seeking donations to support our "TWEET FOR A TREAT" activity where participants will tweet about the conference to share what they are learning and receive a "treat" in return. We will include business names as a part of the activity so your support is recognized.

Anticipated number of attendees: 300+ from our Rockingham/Harrisonburg area plus surrounding cities/counties in the northern and southern Shenandoah Valley, Southwest, and Piedmont regions.

Conference website: <http://17conference.rcps.rocks>

Dates: July 26-27, 2017

Time: 8:30 - 4:00

Location: East Rockingham High School, 20 minutes east of Harrisonburg, VA ([location](#))

RCPS Tax ID Number: 54-6001584

Thank you for your support!
