

2017 @ROCKINGEDUTECH Conference

The **2017 RockingEduTech Conference**, presented by the Rockingham County Public Schools departments of **Innovation & Learning** and **Technology** and with support from VSTE, is a 2-day educational technology conference for Virginia PreK-12 teachers, media specialists, instructional technology resource teachers, and other instructional technology leaders.

Attendees will obtain practical strategies, ideas, and resources for building engaging, innovative lessons to support student success. It's ideal for anyone wanting to learn and network with other education professionals.

We invite you/your company to participate with us in a variety of ways:

- Purchase a booth in the exhibit area (included: table [approx. 6'], wifi, and access to electricity, if needed.) (\$200)
- Purchase a booth (as above) and a presentation slot. (\$300)
- Add extra table to purchase above. (\$100)
- Donate door prizes or company swag to make available to attendees.

Anticipated number of attendees: 300+ from our Rockingham/Harrisonburg area plus surrounding cities/counties in the northern and southern Shenandoah Valley, Southwest, and Piedmont regions of Virginia.

Conference website: <http://17conference.rcps.rocks>

Dates: July 26-27, 2017
